The Demands of Grace

- How do we process a command from God?
- Grace can demand obedience (Jn. 14:15; 15:14).
- We must come to the law with grace in order to understand it and in order to truly comply (Matt. 5:21-25; 1 Tim. 1:8-10; cf. Deut. 6:5-9; Lk. 13:10-17).
- Yet, it demands in the context of grace (Matt. 11:30).

Cultivating Grace

- The problem of Balaam (Num. 22-24).
- “Do I have to” (Heb. 10:24-25).
- Don’t take the easy way out (Lk. 10:29).
- Take everyone’s best interest into account (2 Cor. 8:4; Phil. 4:17).
